Product	Clipholder	
Material	Clip:	100% polystyrene (HIPS); made from post-industrial recycled material
	Screws:	steel galvanized DIN 7997 3,5x30 mm
	Dowels:	S6 PP

Logistic parameters

Description	Parameter	Value
Specifications package	Number of pieces	30
	Dimension [mm]	149 x 96 x 49
	Weight [kg] +/- 5 %	0,36
Specifications pallet	Number of pieces	45.000
	Dimension [mm]	2.450 x 800 x 1.373
	Weight [kg] +/- 10 %	610

Information
All above mentioned values were determined under laboratory conditions and defined laboratory materials and may deviate from these test values. For all the mentioned performance values inaccuracies are possible owing to the testing methods.
The information given above is based on our current state of knowledge and should be used for information of our product application. This should not be taken to as an assurance of certain quality of our products or their use for specific purposes. Subject to change, legal obligations cannot be derived from the information in this document. Existing commercial protective rights are to be observed.

A note on validity
This technical data sheet has been carefully drawn up to the best of our knowledge. It is intended for information only and does not constitute a guarantee in terms of product properties or suitability for specific applications. We accept no liability for any mistakes, errors in standards, or printing errors. In addition, technical changes may result from the further development of EGGER accessories as well as changes to standards and public law documents. This technical data sheet is not an instruction for use and is not a legally binding document.
